

Introducing Lana

lana

LANA FOLDS FLAT AGAINST ITS POST WHEN NOT IN USE. JUST PUSH THE PLATFORM IN AND IT'S READY FOR THE NEXT USER

Transforming flexible workspaces with uncompromising ergonomics

Lana is the transformational laptop stand bringing uncompromising ergonomic support to workspaces across the floorplate. When paired with a wireless keyboard and mouse*, Lana creates the flexible, ergonomic workspace you need, whether for quick collaboration or extended focus sessions.

LEADING THE WAY IN ERGONOMIC SUPPORT

Designed to eliminate musculoskeletal strain and fatigue, Lana adjusts in an instant to enable a healthy working posture, even in temporary touchdown spaces. And by reducing back, shoulder and eye strain, Lana also helps with concentration levels, productivity and wellbeing.

SINGLE CABLE PLUG-IN CONVENIENCE

Lana's integrated USB hub elegantly connects your keyboard, mouse, and power (when connected) through a single USB-C cable. No clutter and no scrambling around for a power socket, just a neat, flexible workspace that easily transitions for different coworker users.

FLEXIBILITY FOR HYBRID WORKING

Flexible, convenient and uncompromisingly ergonomic, Lana is designed for the evolving workplaces of today and tomorrow, from pods and booths to communal benching stations. Offering an adaptable solution, Lana is made for hybrid working and the flexible demands of the many different working environments.

ADAPTABILITY NEVER LOOKED SO GOOD

With clean lines and thoughtful design, Lana will enhance any touch down space for years to come. Compact and foldable, Lana can be neatly tidied away to free up valuable desk space in pods and booths or shared workstations. Available in black & white, its sure to fit right into modern hybrid offices or traditional setups alike.

*Keyboard and mouse not included.

FITS LAPTOPS UP TO 16"

LANA DELIVERS UP TO 100W POWER THROUGH CHARGING TO YOUR LAPTOP (DEPENDENT ON POWER SUPPLY)

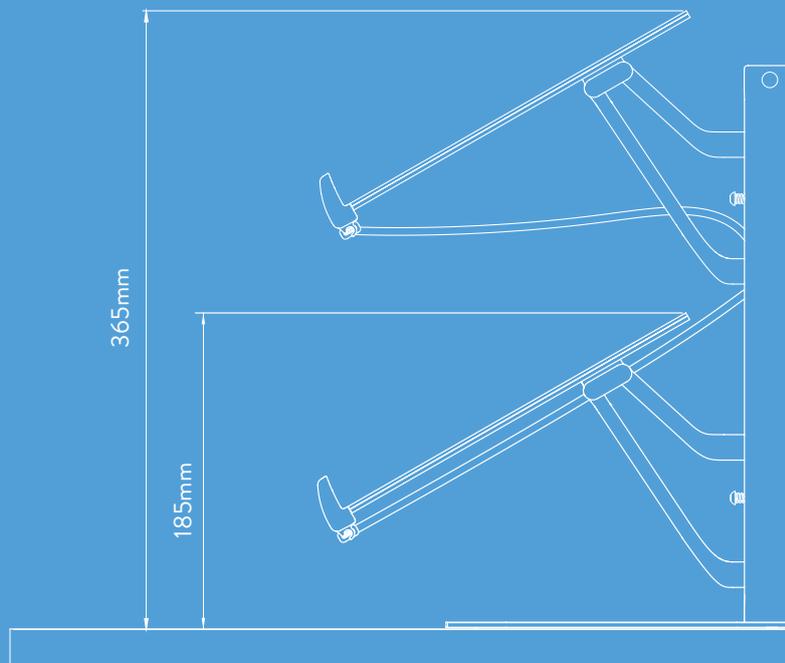

LANA EXEMPLIFIES RESPONSIBLE DESIGN THROUGH COMPREHENSIVE SUSTAINABILITY MEASURES

Lana is built to last. Tested to withstand over five years of daily use and backed by a five-year warranty, Lana is made from PFAS-free materials and designed in line with circular design principles. With 29.5% recycled content, climate-positive surfaces, FSC-certified wood, and natural wool feet, Lana balances great performance with a lighter environmental footprint. Every choice reflects thoughtful, sustainable design that prioritizes durability over disposability.
